

T-shirt bag instructions

Step 1:

Cut the arms off a t-shirt

Step 2:

Cut a bit off from the neck - you may want to draw a line first to follow when cutting.

Step 3:

Cut a fringe at the bottom of the t-shirt. Each cut should be about 1cm apart and 5cm in length.

Step 4:

Tie all the fringes together to join the gap.

(Note if you do not want the tassels to show turn your t-shirt inside out first)

**Your finished
bag!**

**Now time to
decorate.**
